Daily Thought.

This seems to me a great truth, in any exile or chaos whatsoever, that sorrow was not given us for sorrow's sake, but always and infallibly as a lesson to us from which we are to learn somewhat, and which, the somewhat once learned, ceases to be sorrow.—Thomas Carlyle.

The Balkans.

The Balkans proper form the boundary between Bulgaria and eastern Roumania. The ridge is crossed by some 30 passes, of which Shipka is the most noted in history. In the war of 1877 it was the scene of desperate fighting between the Russians and Turks.

FINANCIAL INDEPENDENCE.

In these days when women are demanding equality of the sexes in many things, we are offering them first aid to financial independence through a savings account and you will find that your funds will go farther and will last longer. A savings account when once tried becomes as fascinating to the eternal feminine as the bargain counter. Your account will be given every consideration at this bank.

YOUNG PEOPLE'S DAY.

Will Be Observed Throughout the Christian World, Sunday, February 6th.

As our young people are, so will our future as a church and as a Christian Nation be. This needs no argument. Hence the interest in this day for everyone.

In our church we desire to make it a day of enthusiastic recognition of our interest in our young people. In the morning at 10:30 Dr. Pheley will preach a special sermon to all young people without regard to age. In the evening at 7:30 the Christian Endeavorers will have charge under the leadership of President Edwin A. Clay. A special program of unusual interest is in preparation and we should have a crowded church to hear and profit by the services rendered.

See next week's announcement for details. Fix the date, Sunday, February 6th. Plan to be present at all services and thus help make it a glad day for all.

Odd Fellows Installation.

The annual installation of officers of Ft. Meigs Lodge No. 774 will be held at the Odd Fellows' hall on February 4, 1916.
